

*On 6 February 2023, two powerful earthquakes of 7.7 and 7.5 magnitudes struck in south-eastern Turkey, impacting 15 million people living in a vast region within and beyond its borders. As we mourn the loss of over 44,000 lives, winter conditions aggravate the situation of those who lost their homes and families amidst ongoing quakes.*

**AHBAP** is an NGO from Turkey that aims to provide all kinds of aid to people in need, in kind and in cash, through donations that are declared transparently.
